<b>GRAND TOTAL GALLONS PURCHASED</b>								

Calculate totals and enter amounts on page #1 of this form, lines 2 or 3. In the above listing, note with an asterisk (\*) gallons purchased that are fee-paid to supplier and enter total on lines 3 and 8, page #1 of this form. \*\*The inspection fee is due on clear diesel when it is exempt the state excise tax. Enter only the gallons on which the state excise tax is exempt. The inspection fee is not due on a sale of clear diesel to a company that is licensed with the AL Department of Revenue to pay their own excise taxes. \*\*\*Include in the "Dyed Diesel" column, purchases of heating oil. Complete the above section with summary totals for each supplier and attach a computer printout that details purchases.

**SALES:** Complete this section if fees are paid on sales rather than receipts. Enter only gallons sold that are subject to full inspection fee rate. Calculate total gallons and enter amounts on page #1 of this form, line 7. A computer printout is acceptable documentation for this section.
